

March 23, 2020

To Whom it May Concern:

The appropriately licensed or credentialed bearer of this letter is an Essential Service Provider or vendor tasked with the provision of the vital support services of Heating, Ventilation, Air Conditioning and Refrigeration (HVAC/R) to residences and essential businesses in the State of Texas.

HVAC/R contractors are a vital support system, responsible for maintaining refrigeration, airflow and filtration in hospitals and labs, ensuring information technology centers are operational, maintaining refrigeration for the food supply chain, and providing essential services for every pharmacy, manufacturing facility, and home.

Please allow for passage of this person, property and equipment to support essential services.

For verification or inquiries regarding this request, please contact TACCA at 512-320-0616.

This letter expires April 30, 2020.

Sincerely,
Devorah Jakubowsky, CAE
TACCA Executive Director
